

Product Data Sheet

PETRON BLAZE RACING BR450 PREMIUM MULTIGRADE SAE 20W-50

DESCRIPTION

PETRON BLAZE RACING BR450 PREMIUM MULTIGRADE SAE 20W-50 with TS³ is a high-quality, multi-grade gasoline engine oil designed to meet the high performance requirements of most modern vehicles.

The Thermal Stress Stabilizing System (TS³) keeps the oil stable even at extreme temperatures, providing ultimate protection from engine stress.

PERFORMANCE BENEFITS

- Provides superior anti-wear protection to cylinder rings, liners and valve trains
- Keeps engine clean through superior control of sludge, rust, deposits, gums and resins
- Cost effective due to fuel economy and extended oil drain characteristics

GRADE

SAE 20W-50

APPLICATION

- Gasoline-powered cars/trucks, vans, high-speed automotive engines

INDUSTRY & OEM SPECIFICATIONS

- It has the performance profile of:
 - API SL/CF
