

PETRON GEP

DESCRIPTION

PETRON GEP is a general purpose gear oil capable of withstanding extreme pressure in both highway vehicles and off-highway farm and construction equipment. It provides superior lubrication to equipment under light to moderate operating conditions. It is also recommended for use in manual transmission, worm gears and hypoid or spiral bevel gears.

GRADE

- SAE 90 and 140

QUALITY LEVELS

- API Service GL-4
- MIL-L-2105

APPLICATIONS

- Manual transmissions, hypoid or spiral-bevel gears, worm gears of highway vehicles and off-highway automotive equipment under severe, moderate or light conditions
- Can also be used in off-highway farm and construction equipment

AVAILABLE PACKAGES

- 200-liter drums
- 18-liter pails
- 6 x 4 liters in cartons
- 24 x 1 liter in cartons

TYPICAL CHARACTERISTICS

	90	140
Specific Gravity at 15.6°C	0.8940	0.9014
Flash Point, COC, °C	210	246
Color, ASTM	2.5	3.0
Kinematic Viscosity at 40°C, cSt	197.4	436.9
Kinematic Viscosity at 100°C, cSt	17.49	29.57
Viscosity Index	95	96
